the term slave narrative to refer to stories of oppression under slavery; yet before 1830 very few of the narratives concerned themselves with the injustices of the institution. Related to captivity tales, Franklinesque success stories, modern autobiographies, and other forms, the slave narrative is essentially different from all. It resembles

Rewriting the American Self: Race, Gender, and Identity in ...

The purported goal of a slave narrative is to reveal the "truth" about slavery by describing a representative personal history, one which might stand in for the experiences of all slaves. The Franklinian model of autobiography, however, portrays the self as unique, revolutionary, Oedipal in its ability to throw off the restraints of the
