What Lies beyond Descriptive Translation Studies?

The survey will sum up the opening chapters of my Descriptive Translation Studies and beyond, to which the reader interested in a more elaborate presentation is referred No agreement on the assumptions themselves would be re-quired This would surely be asking too much! The only thing which seems indispensa-

Descriptive Translation Studies' Accountability for ...

Descriptive Translation Studies and Beyond, Toury expounds the relationship between Descriptive Translation Studies and translation theory and he argues that Descriptive Translation Studies, making a minute description and penetrating explanation of translation phenomena, summarizes a series of rules and principles

Translation studies and metaphor studies: Possible paths ...

The term "descriptive translation studies" implies a non-prescriptive approach to researching a wide range of topics, firmly oriented towards the

target rather than the source text and context (Toury 1995: 23-39), and committed to the analysis of unpredictable, messy real instances of

Norms and Nature in Translation Studies

The notion of norms enters the broad field of translation studies with Toury's essay "The Nature and Role of Norms in Translation Studies", first published in *In Search of a Theory of Translation* (1980a) and reproduced in somewhat more than its entirety in his *Descriptive Translation Studies and Beyond* (1995) to which my page references
