Directors Tell The Story Master

TEACHING THEATRE

work Simply put, directors tell stories A more detailed description might be: A director is the individual who, after much research, reading, and planning, conceives and develops the boundar-ies of a unique world within which a playwright's story and ideas will come to life In the process, the director de-termines which character, plot, or de-

The Film Foundation presents: m Spring MAKING

Like books, movies tell a story But instead of words on paper, movies are a visual and a listening experience The audience sees and hears the story People all over the world love this powerful medium — they love the way movies tell stories The storyteller is the director He/she is in charge of how a story is made into a film Exactly

THE ACT GAME ACT: ASSERTIVE COMMUNICATION ...

The Super Coach can also give roles to the actors and tasks to the directors Each director watches for something different For example, directors observe eye contact, voice level and tone, posture, and gestures of the actors When the scene is over, the directors will give feedback and make suggestions for the next role-play
