This course is a very demanding introduction to advanced microeconomics It is extremely important to prepare for every class in order to keep up with the fast pace that will be set It is strongly recommended that sample exercises from N/NS be attempted prior to class

Economics: A Very Short Introduction

University Press had asked me to write a very short introduction to economics and there are economics textbooks that are over 1,000 pages long! So it struck me that I should abandon my original plan and offer an account of the reasoning we economists apply in order to understand the social world around us and then deploy that
